A string of sold-out shows in the U.S. and Canada have led to the return of everyone's favorite lovable and wacky handyman – Red Green! It's time to bring out the flannel shirt, find those suspenders, dig out the duct tape and join Red Green for a famous Possum Lodge meeting!

The best-selling author, humorist and handyman who believes "anything is possible if you use enough duct tape," has been entertaining audiences for the past 20 years with his popular PBS Television series, *The Red Green Show*.

The champion of underachieving men everywhere, Red Green (aka Steve Smith) will offer homespun wisdom, philosophies on relationships and, of course, handyman tips.

Red's witticisms include:

"Remember, you may have to grow old, but you don't have to mature."
"When the going gets tough, switch to power tools."

Depart for home after the show arriving approximately 10:30 PM.
